

# FUN FAB FINDS Grab these Cosmo finds this April!

## Absolutely Juicy

Start your morning right with a refreshing and healthy drink like Tipco 100% Premium Juices. It has all the freshness of fruits and vegetables in 12

delightful flavors such as Pineapple, Tangerine, and Beetroot. Containing no sugar, preservatives, additives, or coloring, these juices are as good and as natural as nature intended them to be. Available in leading supermarkets and convenience stores.

## Beautiful Eyes

Add an extra sparkle to your eyes with **Freshlook** cosmetic contact lenses. It features an inner stardust pattern that adds twinkle to your eyes, and a charcoal outline that provides definition. With the addition

of an ultra violet absorber, the lenses now help protect eyes from harmful UV rays. Give your face a natural radiance with brighter eyes and get ready to reveal a different, more attractive you.

## Mousse Revolution

Can't find the right foundation? Try Maybelline's Dream Matte Mousse, the first modern matte finish foundation with an air-soft feel. It provides complete, skin-perfecting coverage while minimizing fine lines, pores, and imperfections. Just a dab of Dream Matte Mousse blends easily with your fingertips, giving every skin type complete coverage. You'll enjoy the virtually weightless feeling on your skin without worrying about it looking flat, cakey, or heavy.

## Puff Power

Control odor and get that all day protection and confidence with Milcu Magic Puff Underarm Deodorant. Just pat it on like baby powder, so you avoid irritating and darkening your *kili-kili*. It contains *tawas* crystals, which helps control excessive sweating and whitens underarms. Plus, you won't have to worry about icky residue on your clothes. Available in all major supermarkets and leading drugstores stores.

## Naturally White

For those afraid of getting dark spots under the sun, Block and White has found the solution for you. The new and improved Radiance Whitening Face Powder inhibits melanin formation, which causes skin darkening and actively whitens your skin in only four weeks! It also protects the face up to 15 times longer against damage caused by the sun's darkening rays while giving your skin that oil-free, matte finish. Available in all major supermarkets and leading drugstores stores.

## Be Blooming

Put E in your beauty regimen with the new Myra E Facial Moisturizer. It contains vitamin E, a powerful anti-oxidant that penetrates your skin and provides hydration from within—not just on the surface. This breakthrough product effectively protects the cell from free radicals produced by exposure to sun, smoke, and pollution, keeping your skin healthy, smooth, and moisturized. It's also light and non-greasy so you won't have to worry about your skin looking and feeling too oily. Available in all major supermarkets and leading drugstores stores.

## Yummy Treat

It's *merienda* time at work but do you have time to step out for a quick break? With Knorr Soupy snacks, you can enjoy something quick and filling in the comforts of your own cube. It's a nutritiously good snack that can help increase your daily consumption of vegetables to make you look good, feel good, and keep fit. For the weight-conscious, having soup can also help lower your Body Mass Index, food intake, and energy consumption per day. So soup up your meals with Knorr Soupy Snacks! Available in all major supermarkets and leading grocery stores.

## Drink Up

This summer, refresh yourself and renew your mind and body with Nestea Green Tea. It's a yummy iced tea drink with rejuvenating antioxidants from natural green tea. You'll be hooked from the first sip since it's not only a thirst quencher, but diet-friendly as well. It has 33 percent less calories than regular iced teas, so you'll be able to enjoy a refreshing drink without the guilt. Available in all leading supermarkets and grocery stores.
